

SCREWDRIVER TYPE PRY BARS

For prying and lifting

- Forged from the highest quality carbon steel
- Full shank heat treated for maximum strength & durability
- Finished in black oxide to resist corrosion
- Conform to ANSI and ASTM for steel standards, physical properties and testing
- The cellulose acetate plastic handle is ergonomically designed to provide a more comfortable and secure grip.
- Available in either straight or curved head style. The curved blade gives extra leverage.

Made in USA
