

TWEAKER

- Forged from the highest quality carbon steel
- Full shank heat treated for maximum strength & durability
- Finished in black oxide to resist corrosion
- Conform to ANSI and ASTM for steel standards, physical properties and testing
- Unique multi-purpose tool is the “best friend” of carpenters, framers, roofers, electricians, plumbers, concrete and demolition workers
- Ideal for tweaking lumber, adjusting studs, joist or rafter positions, pulling nails, wedging, stripping or can be used as a powerful wrecking bar.

Made in USA
