

UNIGRIP DRILL PRESS VICES

The new Dawn Drill Press Vices are versatile and sturdy and features the quality you have come to expect from DAWN. They are available as a standard model or as a 3 way mounting model.

Features and Benefits:

- Manufactured from graded cast iron for reliability
- Precision ground base and vice bed enables smooth lateral movement of the jaw.
- The fixed vice jaw comes with 3 longitudinal and 1 transversal prism which allows firm gripping of round objects both horizontally and vertically.
- A special seat in the jaws facilitates clamping of flat work pieces.
- Spindle (screw) moves inside the hollow hand grip which allows the vice to be tightened at any position on the table thus increasing the application of the vice.
- Elongated clamping slots enable rapid adjustment of the vice on the work table which saves times.

Applications:

Specifically designed for drill stands, bench drills and drill presses. Compact and low profile design makes them suitable for a multitude of metal working and woodworking applications.

PART NO.	JAW WIDTH MM	JAW OPEN MM	JAW DEPTH MM	WT KGS
61560	75	70	30	3.6
61561	100	88	30	4.2
61562	125	125	35	7.9
61563	150	165	40	9.5
61564	200	210	55	19.0

UNIGRIP 3 WAY DRILL PRESS VICES

These vices provide 3 mounting options via 2 additional contact surfaces machined at right angles, allowing the vice to be used on the end face and side in addition to the base.

PART NO.	JAW WIDTH MM	JAW OPEN MM	JAW DEPTH MM	WT KGS
61565	100	88	30	4.2
61566	125	125	35	7.9
61567	150	165	40	10.9
